For The Benefit Of: The Central Coast Follies, the Central Coast Parkinson Support Group, the Parkinson Support Group of Santa Maria, The Parkinson Alliance

The Central Coast Follies celebrates their 14th annual benefit for Parkinson's Disease research. Director/Choreographer Jason Sumabat has crafted a fun, high-energy and entertaining extravaganza--*What's In A Name?* Don't miss this opportunity to conjure up old memories and create new ones as you sing along and tap your feet to songs we all know and love--"Lady Marmalade," "Mr. Bojangles," "Hit the Road Jack," "Roxie," and many more.

The Follies ladies (and gentlemen!) will be joined by a multi-talented cast of singers, kids and guest artists from throughout our community. This year they will be joined by local celebrities who have graciously agreed to emcee the performances.

Net proceeds from the production will be donated to the Parkinson Alliance to help fund promising research leading to a cure for this devastating disease. In the past 13 years, the Central Coast Follies has been proud to donate \$323,500.

Evening and matinee performances are scheduled for September 30 through October 9 at the Clark Center for the Performing Arts in Arroyo Grande. Tickets are available by calling the Clark Center Box Office at 805-489-9444 or by visiting [www.clarkcenter.org](http://www.clarkcenter.org). Discounts are available for groups of 10 or more, with an additional discount for groups of 20 or more.
